**EDMONTON** – This season marks the 15<sup>th</sup> Anniversary of *A Christmas Carol* at The Citadel. Adapted by Tom Wood, Charles Dickens' classic tale of redemption appears on the Maclab stage November 29 – December 23.

Now in our 15th consecutive year of performance, Citadel Artistic Director, Bob Baker creates an evocative, emotional production that reminds us all what is important. Edmonton's favourite holiday tradition continues to delight audiences young and old. With an unforgettable story, rich characters, and dazzling special effects, *A Christmas Carol* is exceptional entertainment for the whole family.

Citadel artistic director Bob Baker describes Tom Wood's adaptation of Charles Dickens' legendary tale as an authentic Victorian drama and ghost story.

Highly influential in rejuvenating the old Christmas traditions of England, *A Christmas Carol* tells the story of Ebenezer Scrooge, a bitter old miser who is transformed by a supernatural visit from the ghost of his former business partner, Jacob Marley and the Ghosts of Christmases Past, Present and Yet to Come. From haunting scenes of darkness, despair, cold and death Dickens' *Carol* conjures images of light, joy, warmth and life.

As per Citadel tradition, following each performance the cast will collect donations to the Edmonton Food Bank.
