

YOUNG COMPANY BURSARIES

Thanks to the Maclab Development Group and Maclab Properties Group we are able to offer one full bursary for each program in The Citadel Theatre Young Companies. These scholarships enhance community accessibility to our programs and provide students with the opportunity to train in the performing arts. In the spirit of these donations, recipients may be asked to volunteer and/or participate in certain Young Company, Foote Theatre School, or other Citadel Theatre related activities. The Citadel Theatre Young Companies assesses bursary applications based on the following criteria:

1. Financial need
2. A demonstrated commitment to study
3. Artistic potential
