WELCOME TO

THE PLAY THAT GOES WRONG

Citadel audiences loved our hilarious production of *Peter Pan Goes Wrong* in 2022. We were so proud that production (with set, props and costumes built by our Citadel team!) was then produced on Broadway! *Peter Pan Goes Wrong* was so much fun, we thought it would be a real treat to share Mischief Theatre's original "Goes Wrong" story, *The Play That Goes Wrong!*

The Play That Goes Wrong is the first "Goes Wrong" production that the UK's Mischief Theatre created. It was a huge international success, playing in London's West End, on Broadway, and all over the world. Its success is in its fast-paced, physical comedy, but also because it is a love letter to the theatre. It celebrates the optimism and collaboration of actors and the magic of live theatre as a well-meaning amateur theatre troupe tries their best to mount a production in the face of constant (hilarious) challenges.

Speaking of collaboration, this production is a partnership with Theatre Calgary and Royal Manitoba Theatre Centre. The cast and creative team is made up of artists from all three cities. The production plays in Calgary and Winnipeg this fall. If you have friends or family in those cities, please encourage them to check it out!

Thanks so much for joining us.
Enjoy the show!

ARTISTIC DIRECTOR

P.S. Next up in our exciting 2024/25 Season is Tennessee Williams' classic drama, *A Streetcar Named Desire*; followed by *Bear Grease*, a hilarious Indigenous reimaging of the beloved musical; and *The Ballad of Johnny and June*, an outstanding new musical about the life and music of Johnny Cash and June Carter Cash. It's an incredible season of fantastic shows - we hope you'll join us for all of them!

DIRECTOR'S NOTES

Ever had a day that just didn't go as planned? A Terrible, Horrible, No Good, Very Bad Day? Event after event comes crashing down where the thought popped out: "Really? Really. Come on?" Now imagine if that happened in the theatre, where a bunch of devoted folks worked their hearts out onstage and off, but no matter what everything fell apart - figuratively and literally. Welcome to *The Play That Goes Wrong*. Here's a key distinction: If these people let the problems stop the show and send us all home, we'd call that a tragedy. But in spite of the troubles, the show goes on - and they make it through. And because of that, we can celebrate this as a comedy. We're able to laugh at all these mistakes and unfortunate events because the company perseveres.

The very first time I read this play I cheered on our heroes from start to finish. Why? Because I know these people. I love these people. They are my hard working colleagues whom I have been around my entire life. Their passion is attractive, their devotion is awe-inspiring and they are wonderful humans on top of it all. The play they are presenting, *The Murder At Haversham Manor*, will go down as a triumph. Why? Because they did it.

The world needs some wins right now. And let me make this very clear:

!summer excellent an having you're hope I and Citadel the at here us joined have you glad so am I
